

## A-CCTV

Poe extender switch

**A-EXTENDER-0302POE+-60-OUT**

### ETHERNET PORTS

|                       |                    |
|-----------------------|--------------------|
| POE ports             | <b>2</b>           |
| Puertos Uplink        | <b>1</b>           |
| Transmission distance | <b>Up to 130 m</b> |
| POE Ports Speed       | <b>10 / 100</b>    |
| Uplink ports speed    | <b>10 / 100</b>    |

### NET STANDARD

|             |            |
|-------------|------------|
| IEEE802,3af | <b>Si</b>  |
| IEEE802,3at | <b>Si</b>  |
| IEEE802.3bt | <b>Yes</b> |

### POWER CONSUMPTION

|            |                  |
|------------|------------------|
| PoE power  | <b>Yes</b>       |
| POE supply | <b>30W / 60W</b> |

### SPECS AND FEATURES

|                    |                            |
|--------------------|----------------------------|
| Type               | <b>POE extender switch</b> |
| Protection housing | <b>Si</b>                  |

### MATERIAL AND DIMENSIONS

|            |                              |
|------------|------------------------------|
| Dimensions | <b>158 x 106.5 x 35.5 mm</b> |
| Net weight | <b>160 g</b>                 |

### AMBIENT

|     |                       |
|-----|-----------------------|
| Use | <b>Indoor-outdoor</b> |
|-----|-----------------------|
