

## Δ-ELECTRICITY

40 mm tubo corrugado

A-PIPE-COR-40

### MATERIAL AND DIMENSIONS

|            |                                                                                 |
|------------|---------------------------------------------------------------------------------|
| Material   | <b>Double layer: rigid corrugated PVC (inside)<br/>/ flexible PVC (outside)</b> |
| Net weight | <b>3400 g</b>                                                                   |
| Length     | <b>25 m</b>                                                                     |
| Color      | <b>Black</b>                                                                    |
| Diameter   | <b>40 mm</b>                                                                    |

### CHARACTERISTICS (TUBES)

|                             |                        |
|-----------------------------|------------------------|
| Norma                       | <b>UNE-EN 61386-22</b> |
| Aislante eléctrico          | <b>Yes</b>             |
| Resistencia a la compresión | <b>320N</b>            |
| Resistencia al curvado      | <b>Sí</b>              |
| Resistencia al impacto      | <b>2J</b>              |

### SPECS AND FEATURES

Type

**Tubo corrugado**

AMBIENT

Operating temperature

**-5 °C ~ 60 °C**
